

10 MILE TRIP

CRAZY HORSE TO BLUE ROCK

your mile-by-mile guide

PLEASE NOTE

All property along the river is privately owned. Please be respectful. Be aware of any posted or No Trespassing signs. Littering will NOT be tolerated. Always bring back more than you take with you.

START

Right here at Crazy Horse (Bell Bridge).

1 MILE

Waterfall on right. Do NOT climb to the top of the waterfall!!!

3 MILES

1st bluff. Just past horse camp on the right.

4 MILES

Moon Cave. There are 2 steep hillsides on the left with a stream flowing between. Follow the stream on foot & you will find the cave on your left.

5 MILES

You have made it HALF WAY when you reach the 2nd bluff on the right, aka the "Eagles Nest". You will see the big double stacked rocks.

7 MILES

Rope swing on the left. You have 3 miles left from here. Please note these are the most still waters on the entire trip so some paddling will be required from here.

10 MILES

You have completed your trip when you reach the infamous BLUE ROCK!!!
